

EX3210

Multimedia Projector

Spectacular Presentations Made Easier.

The easy-to-use EPSON® EX3210 delivers exceptional performance and versatility. With Epson's intuitive control features like USB Plug 'n Play instant setup and our new, breakthrough horizontal image correction with convenient, easy-slide control, setting up your presentation has never been easier. The EX3210 also offers the flexibility to present JPEG slideshows from any thumbdrive or USB memory device without a computer. And with Epson's 3LCD, 3-chip technology and 2800 lumens of color/white light output,¹ the EX3210 will captivate audiences with brilliant images and true-to-life color. The Epson EX3210 is the smart choice for the savvy professional. When you're ready to step up your game, the EX3210 will be ready for you.

The best-selling projectors in the world

Epson offers a wide range of high-quality projectors to meet almost any need. Built with image quality and reliability in mind, Epson projectors enhance communication and inspire collaboration, while offering a low total cost of ownership. From ultraportable projectors designed for educational settings to boardroom-ready business projectors, Epson has a model that's perfect for you.

Fast, easy setup and control

Easy horizontal image correction with the new easy-slide control

Epson's horizontal and vertical image (keystone) correction means you can project a rectangular image from almost any angle. The EX3210 automatically corrects the image vertically. And for horizontal image correction, just move the easy-slide control bar to make the necessary adjustments. Your EX3210 can be off to the side and above or below the screen, while your presentation is front and center.

Without horizontal image correction

With horizontal image correction

EX3210

Multimedia Projector

Advanced USB Plug 'n Play instant setup from your PC or Mac[®]

Epson's advanced USB connectivity enables instant Plug 'n Play setup for both audio and video. Forget about complicated computer key sequences and non-intuitive controls. Instead, just plug in a standard USB cable and let your presentation impress the audience!

Quick, convenient control

Features Instant Off[®]/On, so no warmup or cool down time is required. The A/V Mute Slide instantly pauses the presentation to bring the focus back to the presenter. And, the energy-efficient Sleep Mode decreases your overall cost of ownership.

Energy-efficient E-TORL[®] lamp

- Delivers more lumens per watt and lasts up to 5000 hours²
- Minimizes both light diffraction and light leakage
- E-TORL lamps maximize your presentation time, while minimizing your costs

Remarkable image quality

Spectacular quality and color with 3LCD technology

Innovative technology with proven reliability

- 3 chips for full-time, true-to-life color
- 25% less electricity required per lumen of brightness when compared to 1-chip DLP projectors³
- Over 20 years of road-tested reliability built into every projector

Amazing color and white light output

The Epson EX3210 delivers 2800 lumens of color light output and 2800 lumens of white light output¹ for rich, colorful images. Whether you're projecting images with deep, dark colors or a white screen with minimal text or graphics, you get consistent light output. And, with Epson, you can be confident you're getting what you need because Epson measures white light output according to the ISO 21118 standard, a more rigid standard than the outdated ANSI lumens rating used by competitive products.

EX3210

Multimedia Projector

Features/Benefits

- Rich, true-to-life color and reliable performance — 3LCD, 3-chip technology
- Amazing image quality — native SVGA (800 x 600) resolution; up to 3000:1 contrast ratio
- Super bright and colorful — 2800 lumens color light output, 2800 lumens white light output¹
- USB Plug 'n Play instant setup — instantly projects audio and video from a PC or Mac via a USB connection
- Horizontal and vertical image correction — projects rectangular images from any angle; just move the easy-slide control bar to make the necessary horizontal image adjustments; vertical adjustments are automatic
- PC-free slideshows — via a USB thumb drive
- Quick, convenient control — Instant Off/On, Sleep Mode (A/V Mute), Direct Power Off/On
- The ultimate in portability — compact, lightweight design; carrying case and remote control included
- Energy-efficient E-TORL lamp — up to 5000-hour lamp life²
- Filters to protect your investment — with easy side access for hassle-free maintenance

Epson EX series

Ready for action in the office, at home, or on the go, Epson EX projectors offer vibrant, true-to-life color for stunning presentations and exciting entertainment. Get instant setup with one-step USB Plug 'n Play capabilities and innovative image alignment features. Maximize your presentation time and minimize your costs with an energy-efficient E-TORL lamp. And, enjoy Epson's legendary reliability with a one-year limited warranty including Road Service. When you're ready for a powerful projector experience, the EX series will be ready for you.
