BEAUTY

PHARMASHOT™ - A THIRST FOR BEAUTY

YOUR BODY has a real thirst for beauty. But your skin has evolved to actually protect the body from any foreign substances—including some beneficial ones! That's why cosmetic researchers have known for some time that the battle against skin aging and environmental damage must be waged on two fronts, both external and internal. That's the role played by the Anti Aging Beauty Boost. Boosting the effectiveness of the best skin care products on the market today, PharmaShot formulates products specifically to feed your body's thirst for beauty.

HAIR has its own challenges. Obviously, hair can become damaged and brittle due to heat, dryness and harsh treatments. External conditioners can do much to address such damage. But only

nutrients delivered internally – through the bloodstream – can provide follicles with everything they need to produce healthier new hair. Hair Beauty Boost is specifically formulated to work with the most advanced hair care products, increasing the overall condition and long-term health of your hair.

NAILS are challenging to grow and keep beautiful, too. Many women have simply given up and applied artificial nails over their own less-than-perfect ones. This is the reason, we have developed a much easier and healthier way to have beautiful, strong nails. Nails Beauty Boost starts at the cellular level to build up the structure of your nails internally, providing a stronger surface for the polishes and other finishes popular today.

THE PHARMASHOT NATURAL SOLUTION

All PharmaShot products are specifically formulated to satisfy your body's thirst for beauty. The way we see it, we're building up the palette for the great work of art that you are destined to be – healthy, strong, vibrant and beautiful. And that's what we call true glamour!

YOUR BEST SHOT FOR BEAUTIFUL SKIN

WITH ITS TARGETED ANTI-AGING INGREDIENTS, ANTI-AGING BEAUTY BOOST SUPPLIES YOUR BODY WITH THE NUTRIENTS IT NEEDS TO KEEP SKIN YOUNG AND HEALTHY. DRINK IT ONCE A DAY, AND PHARMASHOT'S ACTIVE INGREDIENTS ARE QUICKLY DELIVERED TO SKIN CELLS UNREACHABLE BY TOPICAL APPLICATIONS, HELPING TO REGENERATE SKIN WHILE FIGHTING THE SIGNS OF AGING.

DRINK UP

Anti-Aging Beauty Boost provides a complementary boost to your favorite external cosmetics products on three fronts:

RENEW YOUR SKIN!

Increases collagen production, improving skin elasticity and promoting cell renewal. Anti-Aging Beauty Boost contains collagen and elastin, which are responsible for the skin's strength and elasticity, and play a role in tissue development. It also contains Biotin, which is essential for cell growth and replication.

PROTECT YOUR SKIN!

Neutralizes free radicals. Anti-Aging Beauty Boost contains the main antioxidants, including Vitamin C and Vitamin E that block some of the damage caused by free radicals, helping to reduce fine lines and wrinkles.

CoQ10 is an essential energizing antioxidant, responsible for keeping cells alive. Green Tea Extract also neutralizes free radicals and fights the signs of aging.

REFINE YOUR BEAUTY!

Anti Aging Beauty Boost fights wrinkles, helps to smooth and hold back the signs of aging. Beauty Boost contains Retinol (Vitamin A) to stimulate skin repair, increase its thickness and improve skin texture. Also contains B-Complex Vitamins that are essential for healthy and beautiful skin.

YOUR BEST SHOT FOR BEAUTIFUL HAIR

IN SPITE OF WHAT HAIR CARE COMPANIES MIGHT TELL YOU, STRONG, HEALTHY HAIR IS THE RESULT OF HEALTHY FOLLICLES, SUPPLIED WITH THE FULL RANGE OF NUTRIENTS THEY NEED. PROVIDE THOSE FOLLICLES WITH THE 20 ACTIVE HAIR TREATMENT INGREDIENTS IN HAIR BEAUTY BOOST EVERY DAY, AND YOU'LL START SEEING RESULTS AS YOUR HAIR GROWS. TAKEN AS A LIQUID, HAIR BEAUTY BOOST IS QUICKLY ABSORBED INTO YOUR BLOODSTREAM TO REACH THE CELLULAR LEVEL AND NOURISH HEALTHY HAIR FOLLICLES.

DRINK UP

Hair Beauty Boost is formulated with 20 high-quality proactive ingredients to nutritionally replenish your hair for visible results and bring the three most desirable characteristics to your hair:

STRENGTHEN YOUR HAIR!

Hair Beauty Boost improves the strength of damaged and weakened hair, making it stronger and more vibrant, and helping to prevent split ends. Copper, Biotin and Silica all play their part in promoting stronger hair.

GROW HEALTHIER HAIR!

Hair Beauty Boost fights hair loss while encouraging healthy hair growth, density and thickness. Calcium, Magnesium, Vitamin C, Chromium, Vitamin E, Inositol, Niacin, B5, Manganese, B6, Potassium, B12 and Selenium all contribute to the growth and health of your hair.

GIVE YOUR HAIR NATURAL SHINE!

Hair Beauty Boost restores dull, limp hair to a wonderful smoothness and natural shine. Vitamin A, Iron, Iodine and Zinc all serve to bring a smoothness and rich luster to your hair.

YOUR BEST SHOT FOR BEAUTIFUL, HEALTHY NAILS

EVER WONDER WHY SOME PEOPLE HAVE STRONGER NAILS THAN OTHERS? IT MAY BE PARTLY GENETIC, BUT ULTIMATELY, NAIL HEALTH HAS LITTLE TO DO WITH EXPENSIVE MANICURES OR OTHER EXTERNAL TREATMENTS. TO HAVE ANY REAL EFFECT, NAIL TREATMENTS HAVE TO WORK FROM THE INSIDE, SUPPLYING THE PRECISE MIX OF NUTRIENTS TO THE CELLS THAT MAKE UP YOUR NAIL MOONS AND CUTICLES.

DRINK UP

Taken as a liquid, Nails Beauty Boost quickly supplies your cuticles and nail moons with the 21 vital nutrients they need to grow stronger, healthier nails. It's time to start preventing nails from being dry and brittle and promote their three most desirable qualities:

GET STRONGER, THICKER NAILS!

Nails Beauty Boost includes proteins, Calcium, Vitamin C, Iron, Zinc and MSM, a natural organic sulfur compound, to help nails become stronger and thicker. Dry, brittle nails can finally become a thing of the past.

GET THEM GROWING!

Nourish your cuticles and nail moons with B12, Methionine and Biotin, and be prepared that your nails will not only become healthier, but faster growing as well, with Nails Beauty Boost.

NAILS THAT SHINE!

B12 has the wonderful property of promoting nail health while making them look healthier too. Expect to see a healthy pink color with whiter, brighter nails, thanks to Nails Beauty Boost.
